

EXPLANATION of the MENTORSHIP OPTION for PARTICIPATION in NDFMC'S FESTIVALS

By action of the NDFMC Board (09/28/19), the practice of "umbrella-ing" is now a mentorship option available only to teachers who are new to the Festival Program.

QUALIFICATIONS:

The mentee (*the new teacher*) must be a first-time participant in the festival program but may participate in this mentorship program for two consecutive years.

The mentor (*the experienced teacher*) must be junior club advisor who is participates in, and is familiar with, the festival program.

Both the mentee and mentor must belong to the Senior Division of the NDFMC either through: 1) membership in a local senior club, or 2) individual senior membership in the NDFMC and NFMC.

PROCECURE:

The mentee may "umbrella" as many of their students as they wish under their mentor's junior club and submit a list of their names. If the number of students added brings the total junior club size to more than 16 members, an additional payment of partial junior club dues shall be determined by the mentor.

The mentee shall fill out the dues form (on the right), detach form, and make payment of \$14.00 (plus any determined junior dues) payable to NDFMC. (*Payment includes a year's subscription to Junior Keynotes, an NFMC requirement.*)

IMPORTANT:

PLEASE DO NOT SEND PAYMENT AND STUDENT LIST DIRECTLY TO THE STATE TREASURER. **Instead, send these to your mentor, to be included with her/his mailing of junior dues and junior club list to the NDFMC treasurer.**
